MAY 2024

Hey this is Ally Farr your Junior ambassador. I can't believe that we are already headed into the finals rodeo of my last year in Jr. High. It's been an amazing year with tremendous growth. I've been honored to be the Jr Ambassador and I encourage each and every one you to get involved with the student officers program. I hope to see everyone at finals having fun and enjoying themselves! Congrats to all the graduates and may all your dreams come true.

State Finals Reminders

State Finals is a busy time for all of us! Here are a few reminders for state finals to help keep everything flowing smoothly!

1. **Camping and Stall check in** is in the center ally of Barn A. You must have a current Coggins for your horses at check in. Without this your horses will have to leave the grounds. No tie outs are allowed for horses staying on grounds!
2. **Rodeo Check In** is at the office in the main arena. Please see the schedule that was emailed out for check in times. You will need a school form and report card or if you are in non traditional school (virtual, homeschool, etc.) a school form and work portfolio. Seniors you may bring your diploma instead of report card and/or work portfolio if you have already received it.
3. Every night has a theme! Thursday night is Cinch Night—wear your favorite Cinch shirt and jeans, Friday night is Red night—wear red, Saturday night is neon night—break out those super bright colors!
4. Juniors and high school—if you plan on going to Des Moines or Rock Springs for Nationals you must have parents there to sign paperwork and pay for stalls and camping.
5. Have Fun!!!!

Senior Night at State Finals

Friday Night at State Finals is Senior Night! We love to celebrate our seniors! Parents and senior contestants must be at the back gate at 7:30 pm Friday night for senior presentations! Parents you will escort your senior onto the arena floor. Scholarships and senior gifts will be presented at that time. If you have any questions please let Katherine know.
