Newberry 2022

## Welcome to Newberry Rodeo!

We are so excited to have all of our divisions of the SCHSRA back in action together this weekend. Newberry rodeo is produced by a committee of adults in this community that want to see agriculture continue to be celebrated and taught to our youth. The Newberry Ag Expo has been produced for many years now and is led by our own Allen and Lisa Sligh. Please thank them when you see them this weekend. Without great producers, we can't have the great rodeos that we have.

### **Perry Rodeo HS and JRs**

Information about the Perry rodeos will be available soon on our website. Call-in for both divisions will occur on September 26th from 8:00am- 9:00pm You will call-in through the Google Form, just like you do for our instate rodeos. If you do not call in through this process you will not be eligible for points.

### **A Few Reminders**

- Each division will have a contestant meeting 30 minutes prior to the start of their rodeo behind the bucking chutes.
- Seniors make sure you see Mrs. Belinda for half-half sales. Each senior that would like to apply for a scholarship must sell at 6 qualifying rodeos.
- Position draws are typically placed on our website on Wednesdays before the rodeo. You can see what number you will run in the rodeo.

Jrs, please make arrangements to get your tickets turned in by Marshville. You can send them with someone to the rodeo or mail them in. Please remember it takes a little time to mail them.

**Note from the Queen: Julia Gilreath**

This weekend we will remember and honor our country by wearing red, white and blue to the rodeo on Saturday.

At Marshville on Saturday, bring your pink as we will “pink-out” the rodeo for breast cancer awareness! I know SCHSRA is “tuff enough” to wear pink.

**Breast Cancer Fact:**

In 2022, it's estimated among women in the U.S. there will be 287,850 new cases of invasive breast cancer. Regular screening can help diagnose issues early!

Have you considered volunteering? We would love for you to help our association! Many different jobs await. Contact a board member today!
