CINCH TEAM

As we all are aware now, Cinch is taking a different direction on the qualifications and criteria of selecting the new Cinch Team. This year, South Carolina was given five spots for the high school and three spots for the junior high. The board created a panel of individuals that are not parents of contestants to use the criteria set forth by Cinch with a rubric to select the team. This committee will be led by Kyle Crisp. We hope to announce the team as soon as they are selected from this group.

SENIORS

Selling half and half tickets is also the gateway to winning other scholarships that the association and our partners give out. It is ok for parents and friends to sell for you. Just remember that 100% of the profits go to the scholarships. Please contact Lisa Sligh if you have any questions.

Each year SCHSRA allows each senior to apply for a half and half scholarship. The funds from this scholarship come from the sales of the half and half tickets that are sold and from 5% of the entry fees collected throughout the year. In order for a senior to qualify for the scholarship, he/she must sell at 6 qualifying rodeos throughout the year.

At state finals we would like to celebrate our senior class! To do this we would like to offer a banner that will be put on display around the arena and a senior table. The cost of this would be \$40, payable by the Mint Hill rodeo. I have pictures of the banners from last year if you did not see them. The \$40 will include your banner, a banner for the senior table, and table decorations. I will also need the 4 pictures you would like on your banner by the week following Mint Hill. They can be sent to my email at k_kuntz@att.net. If you have any questions please don't hesitate to ask! I can also be reached at (843)810-8749. Katherine Kuntz

WELCOME

SCHSRA would like to welcome everyone to the 2020-2021 season! SCHSRA has 3 divisions—High School (9th-12th grade), Jr. Division (6th-8th grade), and Youth (5 years old—5th grade). The President along with the Board of Directors and student body representatives are responsible for decisions made for the High School Division. The Jr. Division and Youth each have coordinators that are High School board members and are assisted by an advisory board for each division. Please feel free to contact them or any board members with questions or concerns that you may have.
